

KAMILU OLUWATOBI LUKMAN

- FRONT-END WEB DEVELOPMENT
- GRAPHIC DESIGN

ABOUT ME:

I am a Front-end developer with extensive expertise in creating outstanding website interface. I am also a graphic designer with high level of creativity in designing. My goal is to broaden my knowledge and abilities by working in an organization that values and rewards emerging talent.

EXPERIENCE:

FRONTEND DEVELOPER, Intern

GlobalTech World Institute – 2023

- Created visually appealing and user-friendly web interface, prioritizing a balance between aesthetics and functionality to optimize the overall user experience.
- Led the end-to-end development of websites, employing expertise in HTML, CSS, and JavaScript to create dynamic and responsive user interfaces.
- Collaborated closely with cross-functional team members, fostering a dynamic and cooperative work environment.
- Engaged with ongoing communication to align web development goals with broader organizational objectives, contributing to the overall success of web projects.

GRAPHIC DESIGNER

Ola Computer Center - 2015 – 2021

- Spearheaded daily design in a small but prolific firm.
- Collaborated on a project to create layouts and images for writing online content which gives 75% good feedback from clients.
- Worked cross-functionally to deliver to 95% client satisfaction and also completed projects before deadlines.
- Facilitated team meetings for a project to increase revenue for ecommerce clients by 20%.
- Completed graphic project for multiple brands (Meta Tech Solar Company, Clothing Brand and lot more) which boost the company transactions by 30%.
- Successfully delivered the design and printing of Souvenir, ID card, T-shirt for the department of Computer Engineering (Laspotech) with 100% satisfaction and recommendation from the client.
